Board Designated Leadership and Legacy: Sister Dolores Anchondo Scholarship

Sister Dolores Anchondo served as the OLP principal for thirty years until her retirement in 2011. During her three decades in leadership, Sister Dolores was a fearless advocate

for girls' education and is credited for bringing Honors and Advanced Placement courses to OLP, along with modernizing our campus with the Holy Family Event Center. Sister Dolores represented OLP as a woman of heart, faith, courage, and excellence in everything she did.

Established in 2014, the Sister Dolores Anchondo Leadership and Legacy Scholarship recognizes students who embody the OLP mission and CSJ charism. The recipients of the Sister Dolores Anchondo Leadership and Legacy Scholarships are chosen for their exemplary academic achievement, exemplary witness to the OLP mission, and living out the charism of the Sisters of St. Joseph of Carondelet. Specifically, this scholarship recognizes students who have demonstrated significant and consistent contributions in the areas of Leadership, Service, and Spirit. Current 9th, 10th and 11th graders are invited to apply for a scholarship to be used toward tuition for one academic year.

Board Designated Scholarships: Terry Kalfayan, Martha McRoskey, and Nina Sciuto-Morales '76

Terry Kalfayan, Martha McRoskey, and Nina Sciuto-Morales '76 served on the OLP Board of Trustees. They each have had daughter(s) attend and graduate from the Academy of Our Lady of Peace. These board-designated scholarships were created to honor their memory and legacy.

Terry Kalfayan, alumnae mother to Tess, class of 2016, Camryn, class of 2024, and Daniel, served as an OLP Board Member and the Finance Committee Chair. As a double alumna of USD (BA Business in Accountancy '88 and MS Business in Accountancy and Financial Management '05), Terry served as Controller, where she led financial reporting, tax compliance, and the development of the university's financial framework. In 2013, Terry was appointed Vice President for Finance and Chief Financial Officer where she led strategic financial efforts, oversaw key operational functions and managed the university's endowment growth in support of its academic mission. She served with great dedication and success in this role until she passed away in 2019 after a battle with cancer. Terry will always be remembered by her family and friends as a role model of humility and strength, compassion and love. Her work on the OLP Board of Trustees was to ensure a vital sustaining legacy for future generations of young women in the tradition of our Sisters of St. Joseph of Carondelet. In 2020, the OLP Board of Trustees established a scholarship to remember in perpetuity Terry's profound legacy and her enduring impact.

For Martha McRoskey, faith and family were everything. A devoted wife and mother of six boys and alumna mom to Mary-Catherine, OLP class of 2012, she embraced the chaos of family life with a humility and joy that was contagious. She believed that even the smallest sacrifices had great meaning when done with love: whether folding laundry, driving to baseball practice, or consoling a tired child. Her days always began early with a strong cup of coffee and rosary beads. In 1997, she started Parents in Prayer, an organization that encouraged busy parents to pray the Rosary for students and their families at St. James in Solana Beach. Over time, the ministry grew to become a cornerstone of parish and school life that spread throughout San Diego, including OLP, Saint Augustine High School, and Cathedral Catholic. She later co-founded a popular women's prayer group, Gospel Girls, led pilgrimages, and served on the boards of several Catholic schools, including OLP and John Paul the Great Catholic University. Martha had a rare ability to connect with everyone she met. Known for her keen memory and thoughtfulness, she would frequently send letters and mementos to family or friends in need of encouragement or guidance. Martha joined her Lord and Savior in heaven in 2018. In 2020, the OLP Board of Trustees established a scholarship to remember in perpetuity Martha's profound legacy and her enduring impact on generations of young women. This scholarship is also funded through an Anonymous Endowed Scholarship fund, in Honor of Martha McRoskey. In March 2020, her mother, Mary Ann Boulanger, also joined OLP to establish the Martha McRoskey Interfaith Place of Peace alongside the Butterfly Project and the replica of Michaelangelo's Pieta.

Antonina "Nina" Sciuto Morales attended St. Patrick's, OLP ('76) and USD ('84). Nina was a member of the Board of Trustees joining in 2014, honored as an Alumna of the Year, and mother to three including her daughter Mia, an alumna of the OLP class of 2008. For years, Nina worked as an HR director, but her real love was attending OLP and Saints sporting events, cheering on her beloved children, and the OLP-Saints communities. Blue and purple were her favorite colors! She had a remarkable wit, honesty, and ability to solve problems. She listened with an open mind, heart, and arms as she helped many. Nina enjoyed the simple pleasures of life like being with her family, music, thrift shopping, and a dipped cone from Dairy Queen. To all who knew Nina, she was joy and love, an embodiment of the charism of our Sisters of St. Joseph of Carondelet. Nina joined her Lord and Savior in Heaven in 2019. In 2020, the OLP Board of Trustees established a scholarship to remember in perpetuity Nina's profound legacy and her enduring impact on generations of young women.

Recipients of these scholarships must be rising sophomores, juniors, or seniors. They must embody the Spirit of OLP, demonstrating the core values of Mission and Service in
